## MAYSVILLE NOW LINKED

### With the 3,000,000 Stations of the Great Bell Telephone System

One more great victory has been gained in the campaign for ideal telephone service. A contract was signed during the past week, which opens telephone subscribers at Maysville, the talking way to Cincinnati and all other of the over 3,000,000 stations of the Bell Telephone Company—the greatest telephone service in the world.

Maysville is allied with the Independents

and this new deal is of great mutual benefit. It enables Cincinnati subscribers to Bell service to talk to their Kentucky friends at Maysville who have independent telephones in their homes and places of business.

This common sense agreement is simply in line with the action already taken by Bell and Independent interests at Brookville and Conneville, Ind., Cynthiana, Ky., Marion, Ohio, and many other places.

The trend of the times is to get rid of all the trouble that have made telephone duplication a nightmare and day-terror to Indianapolis, Cleveland and other cities. The Mays-

## THIS STORY

Is told of an Israelite who was a passenger on a storm-tossed, helpless vessel: The Mate of the ship on the bridge with glass to his eyes suddenly called out to the joy of the passengers, "A sail! A sail!" Our Hebrew friend, who was a merchant, cried out, "My, goodness, a 'sale' and I've got no catalogue." On the 4th of this month you will also see a "sale." You will find the goods and catalogue of prices right in our windows.

### TOO MANY GOODS, TOO LITTLE MONEY

Tells the whole story. When you see the clothes and hear the prices you will wonder if we intend to pay for them, but one thing you can rely upon—YOU will pay for them when you take them out of the house. It is a well-known fact that we always carry the best Men's Furnishing Goods the markets produce—no house in the State better, few as good. During the sale we make a 10% cut on all Shirts, Underwear, Hats, (including Panamas,) and to cap the climax 10% on Shoes, Hatan's included. These prices mean CASH when goods are taken away. Sale will end Saturday evening, the 13th of this month.

## Equity News

The Society of Equity having disposed of a large amount of the pooled tobacco, needs more room in which to have it sampled. We have rented to them our warehouse, and are therefore compelled to move the vehicles we have stored there to our salesroom at the store. This crowds us very much, and for that reason we are beginning today, May 20th, the biggest vehicle sale ever held in Maysville. We need the room, and, incidentally, the money, and now is your opportunity. Everybody knows that Mike Brown's Buggies are the best made, and that his word is as good as his bond, and when he tells you the rig will stand up and wear you may depend on it. If you are in need of a Buggy, Runabout, Surrey or Phaeton this should interest you.

FOR PRESIDENT,  
WILLIAM H. TAFT,

FOR VICE-PRESIDENT,  
CHARLES E. HUGHES,  
of New York.

REPUBLICAN TICKET.

FOR CONGRESS,  
Hon. JOSEPH R. BENNETT.

BILL BRYAN says things and BILL TAFT does things. That is the whole story in a sentence.—Lexington Leader.

THE man who expects business to come to him voluntarily had as well go out and wait for the ravens to feed him, like the Bible character of old. The day for miracles is over.

In a recent interview Judge WILLIAM LINDSAY said:

"The Democrats of Kentucky will act together when they think together."

All of which goes to show that somebody has another think coming.

How would this ticket do?

For President—W. H. TAFT.

For Vice-President—THEODORE ROOSEVELT.

It ought to prove a world-beater, and with ROOSEVELT at the head of the United States Senate there would always be something doing.

MR. BRYAN is glad that the American Tariff cannot shut out ideas. At the same time, we must say there are some imported ones upon which we wish the Tariff was prohibitive. For instance, that idea of Government ownership of railways which WILLIAM J. fetched back from Europe.—Philadelphia Inquirer.

THE new Naval Academy has already cost \$10,000,000, and it is said to be the most complete of Uncle Sam's notable properties.

THE Democrats are raising a great hue and cry about what Secretary TAFT said in his Decoration Day eulogy of General U. S. GRANT. Secretary TAFT was not slandering GRANT and he merely told the truth. The truth cannot hurt GRANT's memory.

CURRENT estimates indicate that the Great Northern Railway will earn close to \$20,000,000, applicable to dividends on its preferred stock in the current fiscal year. As the amount of stock now outstanding is \$210,000,000 par value, the indications are that nearly 10% will be earned thereon.

It has been determined by the Democracy of Kentucky that Mr. BECKHAM is to run the Lexington Convention, that Mr. McCREARY is to be further humiliated, and that none but tag-wearers are to be allowed to sit in the Convention. In which case Mr. BRADLEY will be bitterly disappointed, for Kentucky's Republican majority will be bigger than ever.—Commercial Tribune.

THOSE persons who assert that President ROOSEVELT got the dinky-dink from Congress are evidently not conversant with the facts. While Mr. ROOSEVELT or anybody else never gets all he goes after, yet the President should be, and no doubt is, perfectly satisfied with the sum total of his achievements and his net results from the first session of the Sixtieth Congress. Two 20,000-ton battleships each year hereafter is going some, besides several cruisers and other warboats. ROOSEVELT is a 24-karat wonder. Even his enemies admit his pre-eminent ability and his remarkable success.

IT WAS GETTING TOO WARM.

Marion—You're not leaving so early simply because I happened to mention that it was leap year, are you? Austin (nervously)—Oh, my, no! I heard the fire engines go by a while ago and I want to see where the fire is.

## CONFEDERATE MEMORIAL DAY

The moaning zephyrs sob and sigh,  
Through Southern palm and pine;  
The mossy willows bend and weep,  
In our sweet magnolia clime.

So still beneath the laurel,  
Under cypress dark and high;  
And the gently creeping myrtle,  
These Southern heroes lie.

No more will blast of battles,  
Disturb their long repose;  
For loving hands now deck their tombs,  
With garlands, wreath and rose.

Mothers, why weep for loved ones,  
Your husbands, sons or sires?  
They perished for their Southland,  
And her sacred altar fires.

For hearts with love beat strong today,  
And tears flow deep and true;  
As on the graves, oh, fallen ones,  
The roses wave for you.

Your phantom phalanx marches on  
Adown the Eternal way,  
While North and South salute the Flag  
That waves o'er Blue and Gray.

—A. F. C.

## Women Inclined To Constipation

**Great Care Should Be Taken Not to Use Violent Cathartics**

Women, owing to their peculiar functions, are more or less liable to constipation and many of them owe their continued ill health to the pill habit. A well known physician lays the majority of cases of foul breath, bad complexion, disordered stomach, sick headache, and female weakness to constipation and the constant use of violent cathartics to overcome it.

We believe women will be glad to learn of a safe, reliable, and stomach remedy that is pleasant to take and that the first few doses will certainly produce natural daily movements without pain or gripe and in a short time establish a permanent cure. It is so effective it has cured cases of 60 years' standing and yet so mild and safe thousands of mothers give it to their babies. Jennie Gresham, Nashville, Tenn., says: "I suffered almost death with torpid liver and indigestion and Dr. Caldwell's Syrup Pepsin gave me quick relief." Sister M. Berchmans, of Mt. St. Mary's Academy, Oklahoma City, says: "We have found Dr. Caldwell's Syrup Pepsin satisfactory as a gentle laxative and stomach tonic." Mrs. Myrtle Mather, Chicago, says: "My daughter was troubled since birth with constipation and sick headache. Dr. Caldwell's Syrup Pepsin cured her." Mrs. W. M. Powers, New Philadelphia, Ohio, says: "It is the best remedy for constipation and stomach trouble I have ever used." Mrs. R. H. Brown, Addington, Okla., says it gave her prompt relief from constipation and torpid liver. Mrs. Isabella Wheeler, Freetown, Ind., says: "Twenty-three years ago I was taken with stomach trouble. Three years ago I had become so weak I could hardly walk. I took Dr. Caldwell's Syrup Pepsin and today am as well as ever." Druggists sell it at 50c and \$1.00 per bottle. We are glad to send a free sample to any one who has not used it and will give it a fair trial. Address Pepsin Syrup Co., 308 Caldwell Bldg., Monticello, Ill.

MAYSVILLE

A Solid Old Town, As Shown By the Assessor's Books

There is not a more stable city in the State than Maysville, financially and otherwise. Persons seeking a desirable location will find, after investigation, that this is the spot they are looking for. The inducements are all theirs and a cordial welcome awaits the right kind of people.

As an evidence of good faith and to demonstrate that the town is on the shady side of Easy street, read the following recapitulation taken from the Assessor's books for the year 1908—

Real estate.....	\$2,049,000
Horses and mules.....	10,275
Carriages and wagons.....	8,530
Merchandise.....	430,452
Surplus money.....	204,614
Pianos.....	6,210
Gold and silverware.....	5,450
Household goods.....	10,950
Total white.....	2,754,481
Colored.....	44,370

The assessment is supposed to have been made on an 80% basis, but it is doubtful if 65% was given in. Anyhow, it shows up well for the city.

ANSWER FILED

Cincinnati Firm Asked to Have Suit Dismissed By Court

An answer was filed Monday in the Circuit Court at Cincinnati by the defendant in the case of the January & Wood Company of this city vs. the Putnam Hooker Company of Cincinnati.

The answer denies that there is anything in the literature or advertising matter anywhere that would mislead the public into believing that it was purchasing carpet warp such as has for years been made by the plaintiff, or that any attempt at unfair competition has been made.

All other material allegations in the bill are denied, and the Court is asked to dismiss the case.

GROVER CLEVELAND TELLS ONE.

This story told about Grover Cleveland, the only living ex-President, has never found its way into print. It is vouched for by good authority: Not long ago a former member of Mr. Cleveland's Cabinet gave a little dinner in New York in honor of the Sage of Princeton. The dinner was purely an informal affair and not more than half a dozen persons were present. No speeches were made, but a number of choice anecdotes passed around the table. Some one present spoke of the possibility of a conflict some day with Japan growing out of complications in the Far East.

"I certainly hope that war may be avoided," the speaker continued. "Think of the horrors that war inflicts even on the victorious Nation."

"I agree with you that a needless war is a monstrous crime," said Mr. Cleveland, "but," he added, lighting a cigar and blowing out a cloud of smoke, "I never hear the expression, 'the horrors of war,' that I am not reminded of a conversation I once overheard in Buffalo many years ago. A number of veterans of the Civil War were discussing the horrors of war. 'How horrible is war,' said the first speaker. 'Look at the loss of property it entails!' 'Yes,' said another, 'and look at the loss of life, not to mention the maimed and wounded!' 'Yes,' remarked the third man, 'and just look at the widows and orphans that are made by every war! War is, indeed, a horrible thing!'

"Gentlemen," said a one-legged man who was sitting over in the corner, and had taken no part in the conversation up to that time, "I can tell you of a worse horror than any yew have named!" "What is it?" exclaimed the trio in one breath. "Why," said the man in the corner, with a gloomy shake of the head, "just think of the crop of heroes that are created by every war. Could anything be any worse than that?"

Mr. Cleveland said that all hands present agreed that the stranger had perhaps named the worst affliction that followed in the wake of war.

Mr. Cleveland laughed heartily over a story told later by one of the guests relating to his second administration. Several members of the House, the speaker said, were having a heated discussion as to whether Mr. Cleveland was a Democrat or not. Arguments had been submitted both for and against the contention. Finally, one man spoke up and said: "This discussion recalls an incident that occurred in my native town. The place only boasted of one rich man, but he owned practically everything in sight. One day several villagers in the Post-office began talking about the town's only millionaire.

"Do you think he is a Christian?" said one of the natives.

"Oh, h—," another replied, "the Church belongs to him!"

"Well," remarked the Sage of Princeton, with a smile, "times have certainly changed since then."

THE PERFECT WAY.

Scores of Maysville Citizens Have Learned It.

If you suffer from backache, There is only one way to cure it. The perfect way is to cure the kidneys. A bad back means sick kidneys. Neglect it, urinary troubles follow. Doan's Kidney Pills are made for kidneys only.

James Wells, living on Front street, Vanceburg, Ky., says:

"About one month before I began using Doan's Kidney Pills my back began to ache and pain and caused me a great deal of annoyance. I knew that if the trouble was not eradicated it might prove fatal. Often when I came home at night and went to bed the trouble was so severe that I had to continually change my position, and during the day I had to pass the accretions every little while. A friend advised me to try Doan's Kidney Pills. I procured them and the use of one box entirely cured me. I have had no symptom of kidney trouble since and give the credit to Doan's Kidney Pills."

Plenty more proof like this from Maysville people. Call at J. Jas. Wood & Son's Drugstore and ask what their customers report.

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, Sole Agents for the United States. Remember the name—Doan's—and take no other.
